Subject: IMPLEMENTATION OF DIGITAL COACH (CLASS INSIGHTS) FEATURE FOR PRIMARY SCHOOL TEACHERS

The Federal Directorate of Education (FDE), in collaboration with the National Institute of Excellence in Teacher Education (NIETE), is pleased to inform that the Digital Coach (Class Insights) feature is being introduced in the application for primary school teachers under FDE. The feature shall be made available in schools as per the implementation plan.

2. This initiative aims to support teachers' professional development and strengthen their pedagogical practices through reflective feedback and continuous improvement.

3. Teachers are requested to use this feature once available in their application to record the audio of their classroom lessons and submit it through the application. Upon submission, they will receive structured feedback to help them reflect on their instructional practices and enhance the quality of teaching and learning.

4. It is further clarified that all lesson audio recordings shall be used strictly for professional development purposes, teacher support, and improvement of classroom practices.

5. Heads of Institutions and Area Education Officers are requested to ensure that all concerned teachers are informed accordingly and extend full cooperation for the effective implementation of this initiative.

4. This issues with the approval of the Director (Academics & QA).
